TPF Udaan has done me a world of good. I can't express my thankfulness to such an esteemed community with my words. I can't even imagine doing engineering on grounds of my family having severe monetary problems. But Udaan helped me out. And is still helping me. The way it helps underprivileged students is just like the right hand of God bestowed upon the head of the lost ones. I am obliged to TPF Udaan for the rest of my life. In future, whatever I become, I will never forget what Udaan did for me. Hats Off!!!!!!! Thank You!
